

MOHAN KRISHNA. KOSURI

E-MAIL: kosurimohankrishna1@gmail.com

Contact No: 91 772261 80

OBJECTIVE:

I am seeking a challenging role as a Senior React.js Developer where I can leverage my extensive experience and expertise in front-end development to contribute to the creation of innovative and high-quality web applications. I am committed to utilizing my skills in React.js, JavaScript, and frontend technologies to drive project success, enhance user experiences, and exceed organizational objectives. I am eager to collaborate with talented teams in a dynamic environment that fosters creativity, learning, and professional growth.

PROFILE SUMMARY

- Highly skilled and motivated React JS Developer with 2 years of experience in designing and developing complex web applications using ReactJS.
- Expertise in designing and developing complex web applications using ReactJS.
- Proficient in creating efficient, reusable front-end components, and implementing state management.
- Skilled in developing cross-platform mobile applications with React Native, ensuring consistent UI across iOS and Android.
- Strong command of JavaScript and TypeScript for writing clean, modular code.
- Deep understanding of web technologies: HTML, CSS, and JavaScript, with experience in modern frameworks and libraries.
- I am passionate about developing user-friendly, responsive web applications for exceptional user experiences.
- Proficient in React JS components, forms, events, keys, router, Redux, and animations.
